#### DIRECTIONS TO THE NKOSI'S HAVEN VILLAGE

Take the M1 South. Drive past all the offramps (Boosens, Xavier Street, Eldorado Park etc.) following the Vereeniging signs overhead. Pass the Columbine Street offramp and carry on straight under the Columbine Street bridge. (Southgate Shopping Mall will be on your right.) After driving under the bridge, take the first left into Constantia Drive and immediately right into Vereeniging Service Road. We are the property on the left and it's sign-posted on the pavement. Our entrance is through two big palm trees.
